THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) and (b) Recruitment of jawans is done through fair and transparent means and after proper verification of character and antecedents. (b) if so, the details thereof; and

(c) what action has been taken by Government in the matter?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (c) There has been an increase in exchange of artillery and mortar fire along the Line of Control in the Kupwara district due to Pak efforts to give covering fire to the infiltrators. There have been some casualties on our side due to Pakistani firing.

A constant vigil is maintained on the border by our troops who are well-equipped and prepared to face any attempt at misadventure on the part of our adversaires.

Arrest of Smugglers

2292. SHRI YADLAPATI VENKAT RAO:
SHRIMATI JAYAPRADA NAHATA:

Will the Minister of DEFENCE be pleased to state:

(a) whether the Indian Navy and Coast Guards arrested armed smugglers near Andaman and Nicobar Islands on 31st May, 1998;

(b) if so, the details thereof; and

(c) the steps taken to protest to the countries from where smugglers start their activities and to increase patrol in Indian waters to stop such activities?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (c) The Indian Navy with the support of Coast Guard launched an operation on 30 May 98 to apprehend/destroy the trawlers, which according to a specific military intelligence, were carrying arms, ammunition and explosives and were likely to transit through Andaman & Nicobar Islands.

On 30 May 98, two trawlers were detected at a distance of 60 nautical miles North East of Narcondom island moving in a suspicious manner. When the Naval units were homed in to intercept them, the crew of both trawlers jumped after scuttling the first trawler and 26 persons along with some ammunition were apprehended by the Naval units. The trawler sank in the water on 31 May 98. The second trawler was seen on fire resulting in minor explosion and the trawler is now lying submerged in Narcondom island.

All the apprehended persons were handed over to the local police at Port Blair and their interrogation is in progress.

Appropriate vigilance is being maintained by the armed forces for preventing the smuggling of arms in the North East region through the sea routes.

Further appropriate action in the matter will be taken, if considered necessary, after the interrogation of the apprehended persons has been completed and full details in regard thereto have become available.

Long Pending Defence Projects

2293. SHRI NARENDRA MOHAN: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that some of the highly prioritised defence projects and acquisition proposals, initiated since 1984, are yet to fructify due to absence of long-term financial commitments in the Defence Planning;

(b) if so, what are these proposals and whether it is not a major drawback in our Defence Planning especially when the country is surrounded by belligerent forces; and

(c) whether these proposals would from part of the Ninth Five Year Plan for the Defence forces and when this is likely to be finalised?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (c) The schedule of completion of some defence projects has slipped due to various factors such as resource constraints, long gestation periods in development of advanced systems and, in selected cases, the effect of international export control regimes. Such slippages are taken into account in the continuous process of threat evaluation and defence planning to meet anticipated threats. On-going and uncompleted defence projects related to development and acquisition have been included as relevant in the 9th Defence Five Year Plan which has been approved by the Government.

Punishment posting at Siachin

(b) whether Government are contemplating similar measures for other defence personnel who faulted on their job; and

(c) whether representations have been received from the officers concerned against the measure taken against them?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) and (b) No officials has been given "punishment posting" to Siachin. It has, however, been felt that it is essential for officials working in the Ministry to have adequate familiarisation and first hand experience of ground realities so that they can have adequate perception of, and sensitivity to, the requirements of defence personnel, working in adverse conditions and the requirements of equipment. It is proposed that officers working in the Ministry of Defence will underego familiarisation exercises in different parts of the country where—defence personnel are deployed—at the beginning of their tenure in this Ministry and also at regular intervals during their tenure. In the first instance, two officials who were dealing with procurement of a high priority equipment for troops deployed in Siachin have been to Siachin to undergo familiarisation of one-week duration in that region.

(c) Representations received from the officers concerned were considered and they were suitably advised that decision to obtain first hand knowledge of ground realities in Siachin should not be construed punishment.
